

# neomoscan® G 8

Chain lubricant for the food industry – Liquid concentrate

<b>Main fields of application:</b>	Lubrication of conveyor belts, especially for conveyor belts for transporting cardboard packaging in the food and drinks industry For professional use only.
<b>Properties:</b>	neomoscan G 8 is a chain lubricant based on silicone oils and has the following properties: <ul style="list-style-type: none"><li>• good lubricating efficacy</li><li>• especially effective, low concentration</li><li>• reliably supports the transport of packaging made of cardboard/laminated film on plastic conveyor belts and metal conveyor chains</li><li>• also suitable for systems transporting non-returnable-glass bottles and cans</li></ul>
<b>Dosage:</b>	neomoscan G 8 may be metered at intervals or permanently. The concentrations of use, depending on application, are between 0.02 and 0.1 weight-% (blend ratio 1:1000 to 1:5000). In using neomoscan G 8 care should be taken that the conveyor belts are regularly cleaned to ensure satisfactory and hygienic transport of the packaging. Do not mix with other products. Rinse out dosing system including suction hose with water before changing product. The weigomatic dosing systems resp. neomatik dosing devices by Dr. Weigert enable controlled, safe and economical application. We are a specialist company in accordance with the German Water Conservation Act (Wasserhaushaltsgesetz, WHG). Suited to the individual conditions and requirements we plan, install and maintain central and distributed dosing systems.
<b>Technical data:</b>	Appearance: milky-white emulsion Density (20 °C): approx. 1.0 g/cm <sup>3</sup> pH value (1 % in deionised water, 20 °C): 3.7 The product specification may contain deviating test parameters. This specification can be obtained on request.
<b>Ingredients:</b>	Polydimethylsiloxane
<b>Storage information:</b>	Always store at a temperature between 0 °C and 30 °C. Usable for 1 year when stored as recommended. Expiry date: refer to the stamp mark on the label after the symbol  .
